## Walking into WARKWORTH from WALKMILL

- Leave the campsite and follow farm track to the road, turn right at top of farm track onto road (county lane)
- Follow road down to the Static Caravan Parks
- The second entrance into the Caravan Park takes you directly to the footbridge over the river. There is a riverside path from the 'Ford' to the bridge but this can be muddy & slippery if wet
- Once over the footbridge, go up the hill until you reach the left and right bend in the road
- You will see 'Warkworth Castle' directly in front of you
- Follow gravel footpath straight ahead along the back of houses to the Castle. This is a 30 minute walk from the top of the farm track at Walkmill
- Alternatively, you can go left at this bend of the road and follow the road down to the 'River Coquet,' picking up the riverside path into Warkworth (no bicycles are allowed on the riverside path). This route also takes you to the 'Hermitage' but do check opening times as its only accessible by boat and tickets must be purchased at the Castle first. You can still access 'Warkworth Castle' from the riverside path.
